

## Household Hazardous Waste Collection

Good morning Lehigh County COG members,

Lehigh County will be hosting a **Household Hazardous Waste (HHW) event, Saturday, October 28 at Coca Cola Park beginning at 8:00a.m.** and can use your help!

1. Volunteers are needed!

MXI Environmental Services, LLC, the collection contractor, will be dealing with the materials that come in, however, Tim Bollinger, General Services Manager, is looking for assistance in checking in residents as they attend.

This is a great opportunity for area EAC's and other municipal volunteers to speak briefly to their residents about any environmental issues they're dealing with in their communities.

2. Help promote the event!

Residents **MUST** pre-register for the event in order to participate and may do so by visiting [www.lehighcounty.org](http://www.lehighcounty.org) and click on the HHW Event Registration link(available after Labor Day). Attached is a flyer providing details for the event.

**Please note:** The location is not printed on the flyer in order to prevent items from 'appearing' at the park prior to the event so please do not disclose when promoting. Residents will receive detailed information upon registering.

Please contact Tim Bollinger, General Services Manager, directly to volunteer and/or for additional information: [timbollinger@lehighcounty.org](mailto:timbollinger@lehighcounty.org) or [610-782-3073](tel:610-782-3073).

Thank you for your assistance with this event.

Best regards,  
Virginia
